 Research Fellowship of the Norwegian Government
 Department of Gynecologic Oncology
 Studied cervical pathology and colposcopy with Dr. Per Kolstad, 1978 (January-July)

University of Messina, Italy
 Residency: OB/GYN, 1974-1977
 Internship: OB/GYN, 1974 (March-October)

University of Milan, Italy
 Internship: OB/GYN, 1973 (June-November)
 M.D.: 1967-1973 (six-year program)

ACADEMIC AND HOSPITAL APPOINTMENTS

The Long Island College Hospital
 Full Time Staff Physician, Department of OB/GYN
 Director of Urogynecology and Pelvic Floor Disorders
 February 1992 through February 2000

State University of New York, at Brooklyn
 Clinical Assistant Professor of OB/GYN, April 1994-present
 Clinical Instructor of OB/GYN, July 1992 to March 1994

University of Modena, Italy
 Full Time Staff Physician, Department of OB/GYN
 (In charge of: Colposcopy and Comprehensive Gynecologic Cancer Screening Service)
 1979-1982

University of Messina, Italy
 Full Time Staff Physician, Department of OB/GYN
 (In charge of: Colposcopy Service and Female Sexual Dysfunction Service)
 1977-1979

CURRENT STATUS

Private practice in Rome since June 2007: urogynecology, pelvic surgery and gynecology
 Affiliated with the Salvator Mundi International Hospital

Private practice in NYC 2000-2007: urogynecology, pelvic surgery and general gynecology
 Affiliated with the Long Island College Hospital, Brooklyn, NY

and the St. Luke's-Roosevelt Hospital (Roosevelt Division), in Manhattan

TEACHING EXPERIENCE

St. Vincent's Hospital, NYC, NY, Dept.s of Rehabilitation Medicine and OB/GYN
 "Chronic Pelvic Pain in Women: Focus on Interstitial Cystitis"
 Grand Rounds, November 2006

The Long Island University, Brooklyn, NY, School of Physical Therapy
 "Pelvic Organs and Pelvic Floor Anatomy"
 "The Adult Female Work-Up Prior to Referral for Pelvic Floor Rehabilitation Therapy"
 Lectures for the Course of Women Studies, December 2005

The New York Hospital of Queens, Flushing, NY, Department of OB-GYN,
 Urodynamic Assessment: What We Can and Cannot Understand from It
 Grand Rounds, January 2000

The Long Island College Hospital, Brooklyn, NY, Department of Family Practice,
 Urinary Incontinence in the Adult Female: Work-Up and Non-Surgical Management
 Grand Rounds, October 1999

State University of New York at Brooklyn, Department of OB-GYN,
 Breast Cancer: Detection and Risk Factors
 Grand Rounds, January 1994

**The Long Island College Hospital, Brooklyn, NY, Department of OB/GYN,
 Urogynecology and Pelvic Floor Dysfunction Teaching for the Residency Program,
 February 1992 – February 2000**

Cook County Hospital, Chicago, IL, Department of OB-GYN
 Colposcopy: Correlations Between Histology and Clinical Patterns
 Grand Rounds, September 1985

**University of Modena, Italy, Department of OB/GYN
 Colposcopy and Colpocytology Course for residents and students
 Seminars on: "Early Diagnosis of Gynecological Malignancies", "Prevention in Gynecology",
 "Venereal Diseases", and "Human Sexual Behavior", 1979-1980**

**University of Modena, Italy, School of Midwifery
 One-year course on: "Obstetrics and Gynecology," 1979-1980**

**University of Messina, Italy, Department of OB/GYN
 Colposcopy and Colpocytology Course for residents and students
 Lectures on: "Human Sexuality", "Contraception, and Abortion", during annual
 continuing medical education courses, 1976-1979**

**University of Messina, Italy, School of Nursing
One-year courses on "Sexual Education and Contraception" and
"Public Health and Preventive Medicine," 1975-1977**

MEMBERSHIPS

Ordine dei Medici di Roma
American College of Obstetrics and Gynecology
American Urogynecologic Society
American Institute of Ultrasound in Medicine
American Society for Colposcopy and Cervical Pathology

ADDITIONAL TRAINING AND C.M.E. IN UROGYNECOLOGY**Advanced Training and Certification for Interstim Implant Technology, 2005**

Chronic Pelvic pain of Bladder Origin: A Focus on Interstitial Cystitis
Jeffrey R. Dell, MD, Director Institute for Female Pelvic Medicine, Urogynecology and Reconstructive pelvic Surgery, Knoxville, TN
Teleconference, July 29, 2004

Chronic Pelvic Pain of Bladder Origin
Dianne Miller Memorial Educational Foundation
Teleconference, December 18, 2003

Vaginal, Bladder and Pelvic Floor Reconstruction for the Gynecologist and Urologist
Laurence R. Lind, MD, Cynthia D. Hall, MD and Harvey Winkler, MD
North Shore University Hospital, NY, May 4, 2003

SURx Radio Frequency Bladder Neck Suspension: Course and Laboratory Session
Thomas L Lyons, MD, Neeraj Kholi, MD, and Vincent Lucente, MD
N Y C, January 17, 2003

Taking Control Over Stress Urinary Incontinence: Revolutionary Treatment Approaches Thomas C. Casario, MD and Gerald A. Maguire, MD
N Y C, November 21, 2002

Autumn In New York 2002. Minimally Invasive Surgery and The Alternatives; with one day of animal lab at Montefiore Hospital
N Y C, November 10-12, 2002

Exploring New Innovative Approaches to Stress Urinary Incontinence
Thomas C. Casario, MD and Gerald A. Maguire, MD of The University of California at Irvine
Audio Conference, May 22, 2002

Interstim Physician Education Program, N Y C, March 2, 2001

Gynecologic Reconstructive Surgery Conference
North Shore University Hospital, Manhasset, NY, November 4, 2000

Weekly participation in patient evaluation, video-urodynamics, cystoscopy laboratory, and surgery, with Dr. Jerry G. Blaivas, Clinical Professor of Urology at NYC-Cornell University, N Y C, June 1997 to March 2000

Female Urology and Urogynecology: A Meeting of the Minds, American Urologic Association,
N Y C, January 14-16, 2000

Contigen Implant Training Program, December 16, 1999

International Continence Society, 29th Annual Meeting, (joined with the ICC and IUGA)
Denver, August 23-26, 1999

AUGS 19th Annual Scientific Meeting, Washington DC, November 11-14, 1998

Female Pelvic Anatomy and Reconstructive surgery, a one-day continuing medical education program for gynecologists, urogynecologists and urologists. North Shore University Hospital, Manhasset, NY, October 10, 1998

International Conference on the Pelvic Floor, Montreal, September 23-27, 1998

NIDDK Research Workshop: Issues and Opportunities in Urinary Incontinence. NIH,
Bethesda, January 23-24, 1998.

Female Urology and Incontinence, American Urologic Association, Dallas, June 20-22, 1997

AUGS Anatomy Course with Fresh Cadaver Laboratory, New Orleans, October 7, 1996

AUGS 17th Annual Scientific Meeting, New Orleans, October 4-6, 1996

ACOG Special Problems for the Advanced Gynecologic Surgeon, Denver, April 30-May 1, 1996

Advanced Operative Laparoscopy for the Gynecologist (retropubic colposuspension and LAVH, including live porcine surgical laboratory), Sponsored by Ethicon Endosurgery; Timothy McKinney, M.D., Course Director; November 11, 1994

Urogynecology, John Hopkins Medical Institution, Baltimore, February 25-26, 1994

AUGS and Uro-Dynamic Society Annual Meeting, St. Antonio, October 30 - November 2, 1993

Course in Urinary Incontinence (one day), NYC Lenox Hill Hospital, September 30, 1993

CREOG/ACOG/AUGS Teaching Basic Urogynecology to Residents; University of Rochester, May 10-14, 1993

Uro-Dynamic Laboratory Training, under the direction of Dr. Jerry G. Blaivas, Chairman of the Urology Department; The Presbyterian Hospital in the City of New York at CPMC, August 7-13, 1992

ACOG Advanced Urogynecology, Las Vegas, June 28-30, 1992

ACOG Diagnostic and Operative Urogynecology, Las Vegas, June 25-26, 1992

Anna Margherita Sassone, M.D., F.A.C.O.G.

Breaks or Interruptions
in my professional curriculum
from the date of graduation until present.

- | | |
|--------------------------------------|--|
| July 1982
through
June 1984 | Married, immigrated from Italy to Chicago where my husband lived at the time, traveled, passed ECFMG and FLEX, frequented the GYN Departments of Michael Reese and Cook County Hospital, as an observer. |
| July 1990
through
June 1991 | In Europe, for family-related business and obligations. |
| July 1991
through
January 1992 | GYN-Surgery fellow at the State University of New York at Syracuse, with Dr. Michael Baggish. When he unexpectedly left Syracuse, I accepted the position at The Long Island College Hospital. |
| February 2000 | Having resigned in November 1999, I left my full-time position at the Long Island College Hospital, for private practice. |
